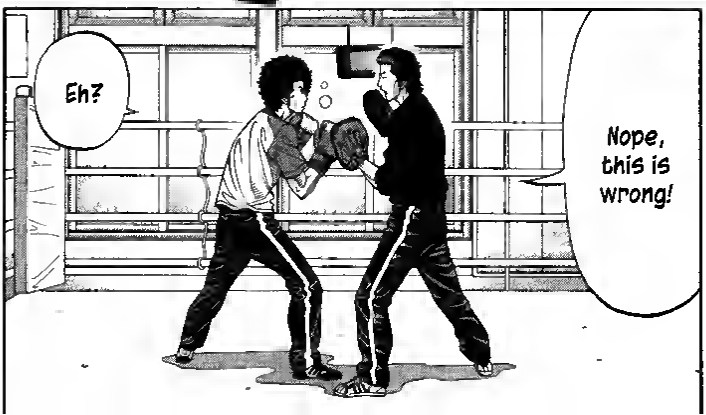
ROUND.66 IT'S HARD TO BE A MAN (T_T)

KEEP THE PUNCHES COMING!
FASTER, FASTER!
ORA! YOUR GUARD IS TOO WEAK!
RIGHT, RIGHT!
...
For Thunder-san... What exactly is "taking it easy"...?
Didn't they say... he needs to take it easy for now?
YOU SWING TOO WIDE! MAKE THEM SMALLER!

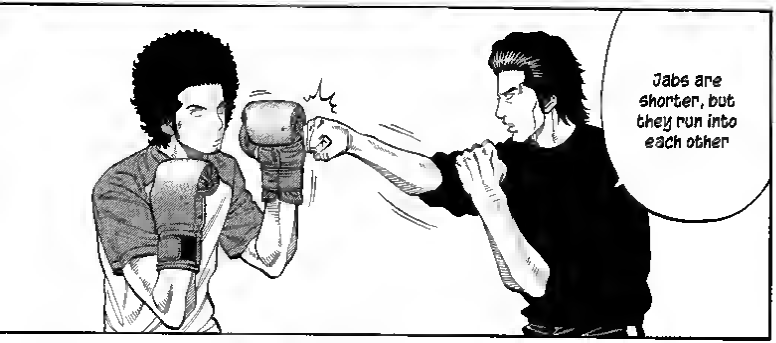
AL-RIGHT ...!
SWITCH TO LEFT!
YES!



Nope, this is wrong!
Eh?

Look at your leading foot!
You're lucky your last opponent panicked because of this, but...
It's on the inside of your opponent
I guess I have to show you〰
Try a right-handed stance
And I'll show you a southpaw stance!
Yes
It shows that you're practically thrusting straight forward!
Eh? Is that bad?

There's not much sense in doing the switch here
In case of an orthodox vs southpaw stance... If you stand symmetrically in front of each other, the conditions are the same



Jabs are shorter, but they run into each other

But a big cross with your dominant hand
Actually doesn't reach as far anymore!

How's that? Because you're much closer now...
A right jab to the opponent's outside... Makes it easier to deliver a left cross to the opponent's inside
Su...
But... IF you step forward to the opponents outside left...
Who ...
!

It makes it easier to punch!
By the way, when you're in your stance, you should move your hand more to the right compared to the orthodox style
Then you use distance, footwork, feints to gain an advantageous position and—
Well... These are the basics of being a southpaw!
Yeah...
Just leave it at that for today!
Rikitarou is still getting his body accustomed, isn't he?

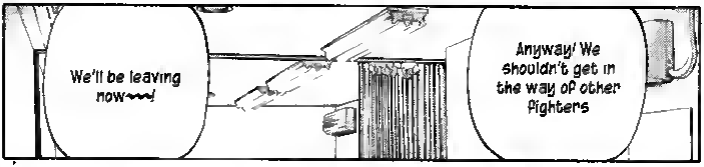
ROUND.70
THERE'S A MONSTER-KUN IN ANY WORLD!?

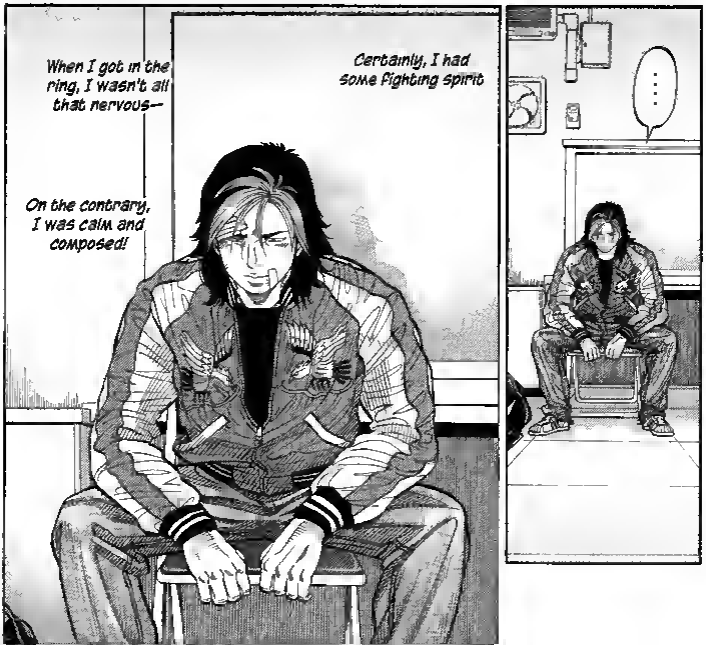
BAD BOYS
Yes... Yes...
Listen up... Don't forget about post-work—
...
Even breathing is difficult...
Every-one's so tense
Haha...
B... Being in a common room...

I... I understand!
You didn't have to put up with other fighters until now only because you were on TV!
It's natural until you reach the A class!
Ouch...
Alright!
Yes...
We'll know if it requires stitches after a doctor looks at you
Sheesh... Obsessing over the one round KO
You realize you could've lost by a TKO? Huh?
That's why I'm reflecting on it!

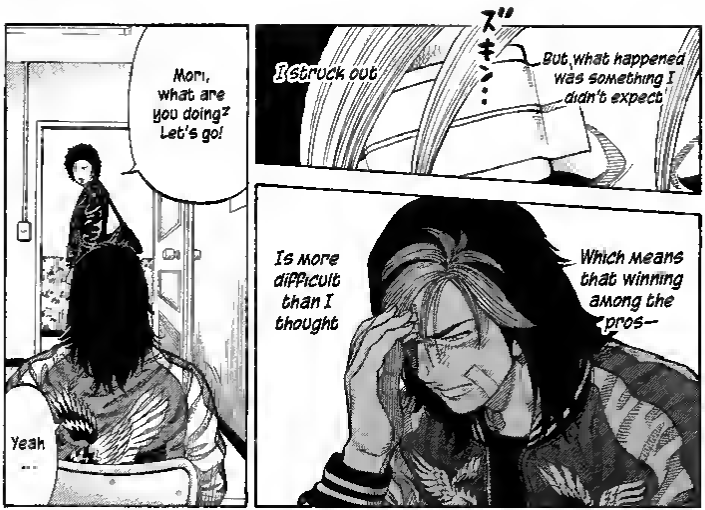
It's only until you acquire all sorts of experience
Shiiin
You mustn't get too heated up~~
Although personally, I thought it was fun ♥



Anyway! We shouldn't get in the way of other fighters
We'll be leaving now~~!



Certainly, I had some fighting spirit
When I got in the ring, I wasn't all that nervous—
On the contrary, I was calm and composed!
. . .

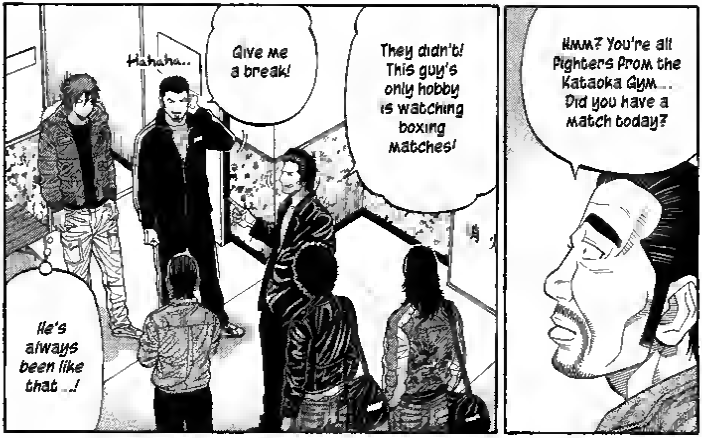


Mom, what are you doing? Let's go!
Yeah...
I struck out
ズキ…
But, what happened was something I didn't expect
Is more difficult than I thought
Which means that winning among the pros—

The fact that he triumphed in a death fight...

This man, who was nothing but a beginner in the pro ring

Hmm?
President Hoshi, Ooishi-san...
Ohhh— Kengo!
Haha! Whenever I see you, you're always wearing a jersey!
DON
It's been a while!



Hahaha..
Give me a break!
They didn't! This guy's only hobby is watching boxing matches!
He's always been like that ...!
Hmm? You're all fighters from the Kataoka Gym... Did you have a match today?

Are you seriously saying that?
Err~~~... Have I seen him somewhere ...?

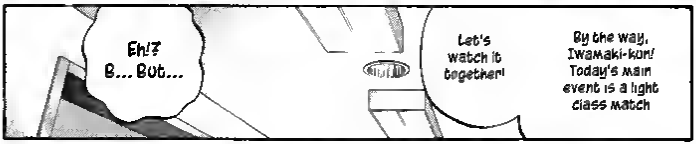
Light weight class...?
Kataokaaa!?
So... I wonder if you'll be able to reach all the way to Kataoka-kun?
Don't say "boss monkey"
Shshi ♥
Iwamaki, Kengo is the boss monkey of the Japanese light weight class!
Greet him properly!

I'm Kataoka Kengo. Nice to meet you!
I know about you guys from watching you on TV
Y... You're the light weight champion of Japan...
AHHH-!!

You should at least notice the champ of your own weight class~~!
Geez

...
He's light weight class, so someday you'll run into each other, Iwamaki-kun!
And this cheeky brat is Matsuzaka Yuuma, a four round fighter just like you guys!
washa washa
Hmph
Don't, Kengo-san!

You watched my fight too!?
I- I'm honored...
I have to say, first Iwamaki-kun, and Mori-kun today, Star Sports boxers fight some interesting matches!
Are you being sarcastic?

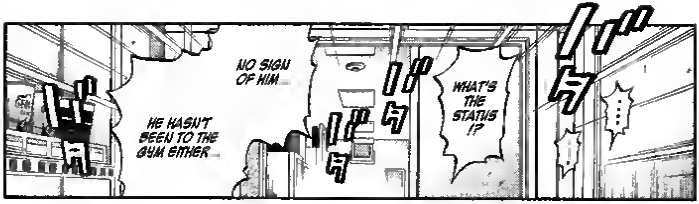


Eh!?
B... But...
Let's watch it together!
By the way, Iwamaki-kun! Today's main event is a light class match

Come on, let's go!
Alright, it's decided!

It's an invitation from the boss Monkey himself!
If it comes with Katsuoka-kun's commentary, it'll be a good lesson for you ♥

Y... Yeah...



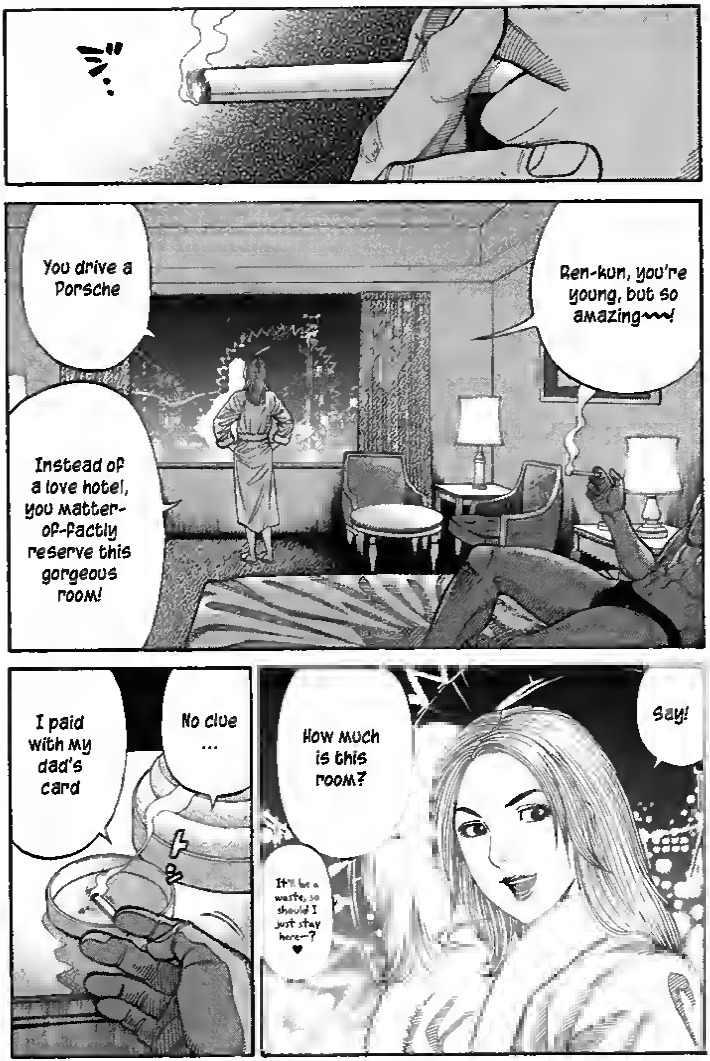
NO SIGN OF HIM...
HE HASN'T BEEN TO THE GYM EITHER...
WHAT'S THE STATUS!?

These are guys from Koudan Boxing
What's going on?

A woman~!?
President... He's probably with some woman again~
It seems like his cell phone is out of range too...

Even though I told him to be here two hours before the start...!!
That bastard! Even though it's his first time fighting in a main event...

AHHH...
AH...
TOKYO
I... I might break...
D... DON'T IF YOU'RE SO ROUGH
AH...
AHHH!
AHHH-HHH...



You drive a Porsche
Ren-kun, you're young, but so amazing~~!
Instead of a love hotel, you matter-of-factly reserve this gorgeous room!
I paid with my dad's card
No clue ...
How much is this room?
Say!
It'll be a waste, so should I just stay here~? ♥

Besides, this body...
!!
That's a boxer for you ♥
Well, even if it's someone's money, you're still amazing!
Heeeeh ~~~
Oh my? Speaking of that, will you make it in time for your fight?
Shut up! You don't need to worry about that!
Is it alright ~~?
Smoking and having sex before a fight? ♥

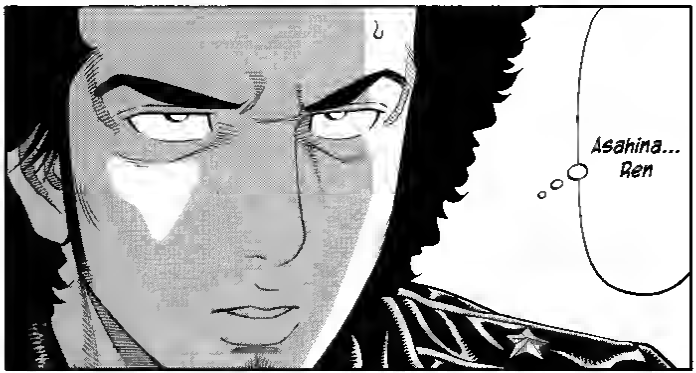
Wha What are you saying!?
Do you think that if you've slept with me a few times, then you've become my woman?
As long as I win, it's all good ♥
Kuku... A genius is someone who doesn't need to obsess over minor details
ASAHINA REN (24)
JAPAN'S LIGHT WEIGHT RANK 9
7 MATCHES, 7 WINS (7 KO)

We will now begin today's main event……
A 10 round light weight class match!!
Fighting out of the red corner, at 132 1/2 pounds, from YGM……
Japanese light weight rank 5……
Wakasugi Akira-!!
若杉
WE'VE BEEN WAITING-- YOU'RE THE VETERAN OF JAPANESE BOXING!
SHOW US YOUR SOLID BOXING AGAIN TONIGHT!

Japanese light weight rank 9~~~...
Fighting out of the blue corner, at 134 pounds, From Koudan~~~...
Asahina Ren-!!
KILL HIM-!!
HELL YEAH-! ASAHINA, GO WILD AGAIN TONIGHT-!!

These guys are complete opposites
A bunch of low lives!
It certainly seems like an interesting card
A hopeful who became a new-comer champion and entered the rankings before anyone noticed
A veteran with over 20 fights in his career versus
Based on the videos of his fighting that I've seen, he doesn't give a damn about basics... And yet he's won every fight with a KO!
So... Which one did you want to see, Kengo-san?
Even though his opponents were practically beginners, you can't say it was all luck
Definitely Asahina!
I've already fought against Watazu!

What if an unbelievable monster...
Has arrived in our light weight class?



Asahina... Ren
